Sermon Notes:

Church Family,

Unity- The state of being united or joined as a whole.

We, as the Pastor Search Committee, are working hard to seek and find the pastor for our church. Please pray that we can work and be in unity through this process for it is not an easy task. We have setbacks, open doors that close, different views but in the end God is the overseer.

We ask that you continue to pray for us daily as we pray for you and our church also.

And we know that for those who love God all things work together for good, for those who are called according to his purpose.

1 Corinthians 10:31
